Red Bear Construction is a 100% Native American owned company providing construction services for private, commercial and federal government entities.

With over 25 years experience in the construction industry, the owners decided to start their company in 2017 to provide a better value for their clients. This value is shown in the understanding of the federal acquisition regulations, submittals, certified payrolls as well as the skillset and tooling to self-perform many construction trades.

Red Bear Construction has a highly competent and safety-first mindset of personnel that completes the following:

- Metal Framing
- Wood Framing
- Windows
- Doors
- Siding
- Drywall
- Cabinets
- Casework
- Millwork
- Tile
- Wood/Plank Flooring
- Metal Fabrication
